

## Resident Spotlight

### Darrell: In His Own Words

I was born in Portland, OR. I am 86 years old. I never married or had children. I have three siblings - all brothers. They are all younger than me. I was born deaf. I have a cochlear Implant. One of my brothers is a computer geek. He adapted my hearing device to my TV, so I can hear it clearly. I worked for 30 years for the Highway Department. I built roads and freeways. I joke that "I was a Highway designer." I volunteered at OMSI for many years. I really enjoyed those years. I like talking to young people about science. I enjoy watching the news. I'm very opinionated. I like doing Legos. And I have quite the collection in my old garage.

## Team Member Spotlight

### Christopher: Dining Services Aid

I was born in Portland. I've lived in Oregon all my life and have two beautiful children. I love my position here at Farmington Square. We have the best kitchen around! I have a few hobbies, such as drawing dark high-fantasy art, playing the guitar, but I mostly enjoy listening to music and writing lyrics for my YouTube channel. I'm happy to be a part of this amazing community.

Thank you, for your dedication.  
We appreciate you!
