

## Resident Spotlight

### Eldon: in His Own Words

My Name is Eldon. I like to be addressed by Andy. I was born in Glendale, California. I lived there through high school. I went to Pacific Lutheran University with a very good friend. I then went to medical school in San Francisco. I did my residency at OHSU and then Kaiser. I was in the Army as a doctor. I was in North Vietnam. I have four kids. Two passed away. I have a bunch of grandkids. I have a toy poodle named Max; he is 12 years old.

In the past, I have enjoyed woodworking, fishing, antiquing, hiking, computer and games. Here at Farmington, I enjoy socializing at mealtimes, exercise class and trivia games.

## A Note from the Executive Director

Summer has been amazing this year with beach trips, fishing trips, and outdoor activities. We are looking forward to a bit cooler

weather now and are excited for all Fall brings. The residents look forward to upcoming events and watching the trees turn colors.

I would like to invite you to our upcoming Support Group, Sept. 17th from 5:30 pm-6:30 pm. The group continues to grow and is an opportunity to get to know others who may be dealing with struggles you may be having or who can relate to how you are feeling.

**Melissa Fisher,**  
Executive Director

I would like to take this opportunity to thank all of you for allowing us to care for you or your loved one; it is an honor to do so. So that we continue our goal to provide the best in comfort and care, we value the feedback of our residents and their loved ones. This September, look out for opportunities to fill out our Satisfaction Survey. We greatly value your feedback! Thank you!
