

## Resident Spotlight

### DeeAnn: In Her Own Words

I moved to Oregon 35 years ago from Arizona because I like the climate, especially the rain. In Arizona, I trained to be an electrician and worked with my husband in our business, Micron Electric. In Oregon, I worked as an optician at different locations. I have four brothers, all who work in the military. I am very proud of my brothers and I keep their military pictures in my apartment. I enjoy talking and sharing stories with people. Music is heart and soul to me. I love life and I am blessed to be here with all the staff. I like to say, "When you have blessings, pass them on. You don't hoard them."

## Team Member Spotlight

### Johnny, Caregiver, In His Own Words

I feel incredibly lucky to have been given this opportunity at Farmington Square. This is my first caregiving job and I really feel like I've found my footing. Outside of work, I like to bake, play guitar, do ceramics, and spend time with my partner. I plan on caregiving for the foreseeable future and possibly becoming a CNA. Thank you to all the residents I've had the chance to meet for inspiring me and helping me learn your needs!
